

SKYLIGHT SLIM LED 2' x 2' PANEL LIGHT

The MCLED SKYLIGHT LED Panel Light fixture provides robust industrial design to replace existing 2x2 fluorescent troffer fixtures. Engineered to easily retrofit to most drop ceiling systems, the fixture include:

- **Integrated J Box**
- **Dimmable / Non-Dimmable**
- **Integrated Commercial Hanger Hooks**

MCLED's Panel Light is designed to deliver high lumen output and even light distribution. The luminaire mounts in a 2x2 drop ceiling opening and comes equipped with power cord connections and integrated J box electrical housing for quick installation
